SHERRONNA BISHOP

“We’re here to decide today if we are really going to pursue liberty,” said Bishop.

“Thank God for that demonstration of force on the morning on Nov. 16,” said Bishop. “My children learned more in those three hours than I could ever teach them – the government does not love you,”

TINA PETERS

“The radical Left will do everything they can . . . to suppress the truth,” said Peters. “When you tell the truth you don’t have to worry about what you say.”
